

2011 Annual Giving Fund Pledge Form

"God will provide... Never did that Providence fail me." -St. Elizabeth Ann Seton

As a grateful response to the love God has shown you, please support Mother Seton School (MSS) students by making a gift to the 2011 Annual Giving Fund. **Your sacrificial gift will continue the work of St. Elizabeth Ann Seton in Emmitsburg and give today's children what our alumni are grateful for all of their lives—love of God, a strong moral compass, academic excellence, and a commitment to service.**

Your generosity will also support unique programs that make MSS exceptional — like the Mother Seton Learning Center, which opened this fall to give special care to children with learning differences, so they can excel. **Each year, MSS relies on the Annual Giving Fund, and friends like you, to carry on the mission of St. Elizabeth Ann Seton.**

Please give generously. Thank you.
