September 20, 2011

Dear Parents,

Last week the HSA sent you raffle tickets and a cover letter from the Raffle Committee explaining this major fund raising project.

This Raffle which takes place the last day of the Annual MSS Carnival and the Bull Roast scheduled for November 19th at MSS replace the GALA which traditionally raises \$30,000+ for the HSA to contribute to school projects.

You heard a report at our recent Back to School Night of how HSA funds were used for so many projects such as replenishment of the playground mulch, augmenting the technology program, contributing to the bus campaign and so much more.

I urge you to cooperate with this major fund raising effort of the HSA. If every family sells their allotted share of tickets and some families sell more, the HSA will be successful! Please make an effort. Sell the tickets, do not return them unsold!

I am certain the long-standing tradition of Parental School Spirit and support of fund raising efforts through sales, volunteer hours, and hard work will continue with you, the present generation of MSS parents!

God bless each of you and particular blessings on our school parent leaders who contribute so much to the well being of the school community and students.

Sincerely,

Sr. JoAnne Goecke, DC
Principal
