**COME OUT AND ENJOY A NIGHT OF ENTERTAINMENT!**

**GO GREEN FOR CRS! Friday, March 15**

For \$1, you can come to school wearing something green (with jeans & uniform shoes) to celebrate St. Patrick's Day!

Proceeds go toward the CRS Rice Bowl Campaign

**Report Cards come home March 19th!**

*PowerSchool will be inaccessible to parents until after the 19th.*

### Did You Know?

**The cost to educate an MSS student is over \$9,000?** We work hard to keep tuition costs the most affordable in Washington County, Frederick County, and Carroll County in order to hold true to the legacy of Mother Seton. The result is that **our tuition covers only 59% of the actual cost.** By partnering with SchoolAdmin for a new billing system, we are able to save costs and run more efficiently, thus keeping overall tuition costs down for everyone.

### *Great Gala Gifts*

Thanks to Mrs. Lexi Burns for creating some wonderful items with our students for the Gala. These special items will be on display in the atrium ahead of the Gala, so stop by and take a peek! Don't forget your tickets... you won't want to miss a chance to bid on these one-of-a-kind pieces of art!

**Reconciliation will be held at MSS on Thursday, March 21st at 9:30am.**

No account required to view our Facebook page or Instagram feed! Look for photos, videos, & other fun stuff. It's a great way to see all the great activities happening at school!

## From the Art Department...

**Learn to Cricut!** Mrs. Myers will offer an introduction to the new Cricut die-cut machine and the latest technology added to the Art Department.

**Europe 2020 is on!** Join a group of MSS parents, students, grandparents, & alumni who will be taking Germany, Italy, & Switzerland by storm Summer of 2020. An info meeting will be held Mar 28th, 6-7p. Food provided! RSVP Mrs. Myers by email to [kmyers@mothersetonschool.org](mailto:kmyers@mothersetonschool.org).

### IOWA Assessments Begin April 3rd

Please help your children do well on the standardized assessment and do their best to attend school each day during the test period. While standardized test scores are not the sole measure of a student's progress, they are helpful in gauging their readiness compared to all students in their grade-level nationwide. Please refer to the enclosed flier for tips and strategies to help your student!
